In 2022, the words of our Creator (crea8her), YHWH came to me, like this:

“You are a widow” - says YHWH.

Michoacan, Mexico. 2004.

The bite of a black widow spider, came after the spells were found on all four walls, written with a black marker, on toilette paper. That took a lot of time. Long rolls, all across the walls.

Yes, that was creepy. That was Mexican Catholic magic by a Purépecha girl.

I killed many of them in one month. I dreamed of one sitting in the corner. Then, the next day, seen one on my front door gate to my home. I had to kill it, before I could go in the door.

A perfect match, with my front door - to know Yah does it all. This is what I was looking at in my game, the next day.
